Williams-Potts Bout Is Again Off Fight Program

Prevention of Boxing Between Two Enlisted Men at National Guard Armory Recently One Cause for Striking Event Off Schedule, But Chaplain Fealy Has Good Card Anyway—Quinn and Dennis to Meet

[Special Star-Bulletin Correspondence.] SCHOFIELD BARRACKS, April 28.—Through some disappointment will be felt that Rufus Williams and Joe Potts will not appear in the ring at Schofield tomorrow afternoon, the program prepared by Chaplain Fealy is an excellent one and should furnish an afternoon of rare entertainment.

The Potts-Williams bout was stricken off the program for the reason that the bout between these two men had been called off upon a previous date by the department commander when they were to have met in the ring at the National Guard armory, and it did not appear a proper courtesy to Gen. Wisser to transfer the bout to Schofield Barracks. Furthermore, there is an old ruling at Schofield preventing a boxing bout between a colored and a white soldier, though, it is true that this ruling has not been strictly enforced during the past year.

The following has been announced as the program:

1. Four rounds, Joe Chavez, Troop 7, 4th Cavalry, vs. Walter Johansen, Dept. Hospital (122 pounds).
2. Four rounds, Johnnie Rudin, Battery C, 1st Field Artillery, vs. Harry Ledate, Battery C, 1st Field Artillery (122 pounds).
3. Four rounds, Henry Jackson, Company H, 25th Infantry, vs. Willie Johnson, Company G, 25th Infantry (140 pounds).
4. Four rounds, Charlie Cooper, Troop B, 4th Cavalry, vs. Johnnie Martin, Machine Gun Company, 2nd Infantry (125 pounds).
5. Four rounds, George Kelly, Company L, 25th Infantry, vs. Robert Wordlow, Company E, 25th Infantry (145 pounds).
6. Four rounds, John Dowling,

Tonight's Match.

F. B. C. vs. Dormitory Club.

Three straight games and total pinfall gave the Oahu first place in the Y. M. C. A. spring bowling league last night beyond the slightest doubt of replacement. Should the Oahu lose the last two matches on their schedule and the Service win theirs, the championship would go to the Oahu by a single game.

Carl Wikander again showed his class, and went into first place with 590 in the average rate. Last night's average of 197 gives Wikander a grand mark of slightly over 190 for the season to date. J. C. Chamberlin is a point behind Wikander with two weeks more of the season to go.

A 900 Game.

The Cheechakos rolled over 900 in the second game, but had the misfortune to run into the Oahu's high game, 916. All of the Oahu bowled well over 500 and the team pinfall was 2886. Williams and Azevedo starred for the Cheechakos.

One of the feature matches of the season takes place this evening when the F. B. C. will meet the Dormitory Club at half past seven. Capt. Santos will have Soares, Bell, Azevedo, Rodrigues and Canario in his line-up. Captain Beares plans to start Reed, Mills, Morgan, Whitcomb and himself.

Will Meet Quinn at Post Tomorrow

"Battling" Dennis, who will clash with Quinn of the 1st Infantry in a 10-round bout at Schofield Barracks tomorrow afternoon, Dennis has only been defeated once during his athletic career, and has held the championship of the South since 1909. Dennis fought Freddie Beckler a 10-round draw in New Orleans, and before this he held the amateur championship of the South. Cpl. Dennis is a clean fighter and well liked by the ring followers. He will be meeting a good man in Quinn, but his friends state that he will beat Quinn before the ten rounds is over. Sgt. Black, manager of Dennis, is confident that his man will win tomorrow.

BATTERY A HAS HARD LUCK WITH BASEBALL HOPES

Defeat Practically Eliminates It From Chance at the Pennant

[Special Star-Bulletin Correspondence.] SCHOFIELD BARRACKS, April 28.—Battery A practically dropped out of the race for the Field Artillery pennant when their baseball team lost to B Battery, on Wednesday afternoon, 12 to 3. In their previous game in this series A Battery defeated B, 5 to 4, one of the best contests that has been played.

The series is just half completed. Some of the teams have seven more games to play while others have eight. Three teams are in the lead, neck and neck, ready for the final stretch. F Battery is short on all hope, but D is expected to come to the front with a grandstand finish. Having decisively defeated B Battery last Sunday and dragged them from first place, the D Battery men are very much encouraged, and are improving every day in both fielding and batting.

No End of Rooting.

It was an enthusiastic crowd that filled the stands to watch the game on Wednesday, for A and B Batteries have always been great rivals, and errors and rank bobbles were hailed with as much noise and clatter as double plays and three-baggers.

It was an off day for A Battery. From the beginning they seemed destined to play in ill luck. It was bad enough in the first, when Archer hit for three bases, just when a three-bagger would count most, but it was worse in the third when three hits followed one after the other, and coupled with four wild throws allowed five runs to cross the plate. A Battery took another flight in the eighth, when B scored four runs without making a hit. Cumberland pitched a star game for B, and made six assists.

Following was the score: R.H.E. Bat. B. 2 0 5 1 0 0 4 *—12 6 4 Summary.—Three-base hits, Archer, Burnett; two-base hits, Norris, Wright, singles, Michalek 2, Archer, Fouquette, Hunter, Sharkey; struck out, by Cumberland 4, by Burnett 8; base on balls, off Cumberland 4, off Burnett 2; hit by pitcher, by Burnett 3. Umpire, Sgt. Hollingsworth.

SINGLES COUNT AS MUCH AS HOMERS IN AVERAGES

Sporting Editor, Star-Bulletin:

Sir—Will you kindly give your opinion of the following:

Two baseball players having been at bat the same number of times, both getting the same number of hits; one player gets more extra base hits than the other player.

For example:

A gets four two-base hits out of six times at bat. B gets four one-base hits out of six times at bat.

What is the batting average of A and what is the batting average of B?

Will you explain how the batting average is figured?

Answer A.—The batting average of A and B are the same. Both have an

KALIHU PLAYERS ARE CHAMPIONS IN VOLLEY BALL

Win From Palama Stars in Great Contest at Y; Star-Bulletin Defeats Koreans

	W.	L.
Kalihi	5	1
Star-Bulletin	3	3
Palama	3	3
Korean	1	5

Last night in the Games Hall of the Y. M. C. A. Kalihi by defeating Palama won the senior volley ball championship of the season, and the Star-Bulletin by winning from the Koreans tied Palama for second place.

The first game of the evening was between the Koreans and the Star-Bulletin and the Star-Bulletin team played fast, clean ball all the way, winning the first three sets by the same score, 21 to 18. Kim, Chung and Y. C. Young did the best work for the Koreans, while Tsyau, Anahue and Kam were the stars for the Star-Bulletin.

Sensational Work.

The Palama and Kalihi game opened with Palama taking the lead in the first set and holding it from the first serve to the finish, 21 to 16. The second set between these two teams was the closest and the most hotly contested set of 21 points ever seen in the "Y." Time after time the forwards of both teams would make what seemed to be safe drives, when the guards would pull off sensational recoveries and bring the ball back to the net again.

At the beginning of the thirteenth inning Palama lost a one-point lead which they had held from the start, and Kalihi tied the score, 7 all. In the twenty-first inning Kalihi took the lead 11 to 10, and from then on to the thirty-seventh inning the Palamas tied the score six times and then took the lead from Kalihi in the thirty-eighth inning, 19 to 18. In the following inning the Kalihi once more tied it up, 19 all. In the fortieth inning the Kalihi put the set on ice by scoring two points, 21 to 19.

Palama Leads.

The third set went to Palama, 21 to 14, with the Palamas leading all the way, and the fourth set went to Kalihi, with Kalihi taking an early lead and holding it throughout, 21 to 18.

With the score standing two sets all and one to play, Palama lost the serve and Kalihi scored. In the second inning Palama evened things and took the lead in the third, and Kalihi tied it 3 all in the seventh. In the eleventh Palama led for the last time, 6 to 5, and then in the twelfth Kalihi tied it up again, 6-6. In the next inning they took the lead and from then on to the thirtieth, at which time they had piled up a lead of eight points, the score being 19 to 11, and right then Brash, realizing that the game was slipping away from his team put on full steam and the rest of his men followed suit, and at the finish had cut the Kalihi lead from eight points to three.

Many Stars.

Roberto and Akana with Whits at center played a great game for Kalihi in every set, while Barboza played his best in the last set. For Palama Brash was the whole show and weak guarding more than anything else was the reason of his team's downfall. Kahana at center forward played well at times, but made several costly blunders, while Lum Dung and Tai Loy were off in their playing compared with former games.

A men's volley ball league will be organized between the following teams—Palama, Star-Bulletin, Kalihi and the Morgans, the last named composed of a number of fast young businessmen who make up the only team that ever defeated the O. P. champions. These games will start Wednesday.
